December 30, 2012

[REDACTED]

TO WHOM IT MAY CONCERN:

This is to file complaints and reports about that for sometime, my family and me have been and continue being subjected to all kinds of colorful corruptions, harassments, retaliations and false reports by, but not limited to, the US Attorney's Office from the Northern District - Chicago Office, by the Cook County, Illinois, States Attorney's Office, by the Illinois States Attorney's Office, by the Chicago Police Department, and/or etc... attorneys, police officers and/or staff.

This time around and now, the most recent corrupt and prejudice actions being coached on, that were taken and continue being taken against my family and my constitutional and civil rights, again began this time around when, upon documentations, information and believe, on October 2, 2012, [REDACTED] (as to one of the co-conspirator or tools being used), whom is just another recently moved-in tenant living at [REDACTED] [REDACTED] was coached into filing other malicious, false and discriminating reports with, amongst other authorities, the Chicago Police Department (CPD) under RD [REDACTED] and HV-[REDACTED] against my family and me, noting that we were the first and the only property owners living at the building located at [REDACTED] (the Building) whom was and is being singled out and accused of some theft, battery, and harassments reports, by not the Building, but by Suen.

Where following the filing of these frivolous CPD reports, by Suen, the CPD (as to one of the militia conspirators and instigators) with malice instructed and gave out illegal and criminal apartheid orders to two Hispanic (one female and one male) out of uniform and dressed all in black CPD officers uniform, with no badge numbers or no name tags, to continued in and engage in (but not limited) the desperate CPD terrorism, home invasions, trespassings, retaliations, harassments, stalking, etc... actions, on <sup>December</sup> ~~October~~ 26, 2012, beginning approximately 07:15PM, which CPD officers were also questionably from out of the authorized Chicago Police District Station(s), were from out of the authorized District 17 Chicago Police Department Station, and were rather from out of the far and West side un-authorized Chicago Police 11th. District Police Station, located near or about at Kedzie and Harrison, in Chicago.

These said out of district and out of uniform CPD officers, that day, were also terrorizing, disturbing the Holly Holidays peace, enjoyments and tranquilly, and stalking all those others living in the Building by standing and piping in and around the Building's tenants' windows, doors, by walking about and around the main front entrance doors, and by ringing other door bells from other tenants living at the Building, all such CPD officers mis-conducts and illegal actions taken near or leading upto our home front entrance door, at the Building.

Due to the long history, ongoing and all types of colorful illegal, criminal and very little legal activities occurring at the Building, I approached these CPD officers and asked them if I can be of any assistance to them regarding in particularly the Building.

These CPD officers then stated to me that they are trying to gain access to the Building at [REDACTED] [REDACTED] I asked these Officers that if they were here on a legal Court Order to evict the tenants from [REDACTED], that these tenants had already a long time ago abandon their apartment, already had moved out for sometime and that the bank already had and has full possession of their foreclosed apartment.

These CPD officers then proceeded to asked me, if I had keys to the front entrance door of the Building at [REDACTED] and I stated, Yes, and I opened the front main entrance door into [REDACTED]. When and while I was allowing these CPD officers such access to the Building, these CPD officers now and then began questioning me of such things as "...who I am in the Building..." and I stated to these CPD officers that, I am apart of the Building's management team. These CPD officers next and then asked me "...what was my name..." I stated to these CPD officers that my name is [REDACTED] These CPD officers then next stated to me that "...I have to come with them (these CPD officers) because the out of district CPD at the 11th. District CPD Detectives, wants to interview me..." I informed these CPD Officers that I could not leave with them because I am taking care of my child. These CPD officers then next stated that "...I was going to have to find someone else to watch my child because I have to leave with them to go to the CPD said station just to be interviewed and talk to the aforementioned out of area CPD detectives.

These CPD officers then continued questionning me by asking me "...where is my wife..." I stated to these CPD officers that my wife had stepped out and that I did not know where she was or when she was returning.

While these CPD officers and I where in the first floor hallway of the [REDACTED] at the Building, these CPD officers proceeded in their illegal engagements by next making demands that I open the front entrance door leading into my unit at [REDACTED] at the Building, where my child was with me. However, before I opened and before I allowed these CPD officers to enter my said apartment, at the Building, I advised these CPD officers that I was not consenting to and was not voluntarily allowing these CPD officers access into or to search my family, me or my said unit, at the Building. Over my objections, these CPD officers continue in and did entered my said apartment, at the Building.

My child was immediately, and again and once more had to witness and was place under un-necessary stress, anxiety, worry, nerveous and fear by these CPD officers, as well, where my child began crying and my child began to experience anxiety in having to, all over again, deal with and witness these other CPD officers' "terrorist acts, un-authorized access, criminal home invasion, criminal trespassing, criminally holding us hostage against our rights, and criminal harassments" of my family, me, and the Building, again and again, by and when these additional CPD officers, gained illegally access into my said apartment at the Building, white collar corruptions by the CPD against my family, me and the Building, as a whole.

While these CPD officers were now inside my said apartment and holding my child and me hostage and against our will and rights, in my said apartment, at the Building, these CPD officers next added further insults to already injuries and tort by instructing, demanding and stating "...for my child to call the mother or my wife..."?

While these CPD officers illegally remained inside my said unit and continued holding my child and me hostage, while continuing to place my child further under stress and anxiety and holding my child and me against our rights, in my said apartment, at the Building, I then next decided in continuing to exercise all my rights, by now asking these CPD officers, if I was at anytime being under arrest or detained by these CPD officers?, due to these CPD officers' above discuss growing and continuing illegal and questionable misconducts, demands, illegal actions and deception practices. When, then and thereafter was it for the very first time that these CPD officers stated "...Yes! I am under arrest..." I then asked these CPD officers, what was I being arrested for ?, What was/were if any or all of the CPD charge(s) being taken against me, by the CPD?, and what was the if any the name or names of if any or all of the person or persons whom had filed any or all the CPD reports and charges, against me. These CPD officers then stated that Suen was the party whom had filed the above discuss battery report and charge, and the Kedvale Terrace Condominium Association (the Association) or the Building (not Suen) had also filed a CPD report and charges of theft by deception, against me, too..."

While these CPD officers remained inside my said unit and continuing to hold my child and me hostage and against our rights, in my said apartment, at the Building, I continued trying everything to place these CPD officers in fair notice, fair warning and to force these CPD officers to immediately leave and stop placing my child any further under intentional, deliberate and un-necessary continuing stress and anxiety, when I reminded, and re-confirmed that, my child, my family and me, for sometime and at all relevant times, already had obtained "Court Orders of Protection" against, amongst other person's living in and out of the Building, Suen, as well.

While these CPD officers remained inside my said apartment and continued holding my child and me hostage, placing my child in further and un-necessary stress and anxiety and holding my child and me against our rights, in my said unit, at the Building, these CPD officers then made mis-leading, deceptive and frivolous statements that "...I had filed and had obtained those Court Orders of Protection" against, amongst other person's living in and out of the Building, and including against Suen, after...?"

While these CPD officers remained inside my said apartment and continued holding my child and me hostage, continuing to put my child in further and under intentional, deliberate and un-necessary stress and anxiety and holding my child and me against our rights, in my said unit, at the Building, my wife arrived at my said apartment threw the back door and these CPD officers same also placed my wife under intentional, deliberate and un-necessary stress, anxiety panics, worry, nervousness, mental anguish, and pain and suffering, too.

As discuss above, after my wife arrived, these CPD officers continued in their ongoing violations of my family and my civil rights by now Violent Criminal "Kidnapping" me and by placing hand-cuffs on me, while I was at the Building, and by putting me in an old rusty, un-safe driving conditions, and un-marked dark old color Ford Crown Victoria CPD government vehicle, and these CPD officers took me and detained me, against all my family and my rights, at the "out of district(s), CPD Police Station 11th. District, in Chicago (The Station).

While I was at the Station, I continued being illegally stripped and illegally searched of all my constitutional and civil rights, when at the Station, these CPD officers continued carried out illegal search and seizer when the Station and these CPD officer continued to engage in further stripping, searching and continued take away from me ( illegal "seizer") all my personal property and belongings, continued violated my "Rights to Privacy" and continue to hold me hostage and against any or all my "Objections".

As discuss above, while I was at the Station, I was held at the Station for two days from December 26, beginning approximately 08:00PM till December 28, 2012.

On December 28, 2012, the Station illegally transfered me to the County Jail of Cook County, located at about or near 26th. Street and California, in Chicago, Illinois (the County).

I was continuing to be illegally held and continued being under an illegal arrest and illegally detained against all my family and my rights at the County beginning December 28, 2012.

As discuss above, the kidnapping and terrorist guerilla mob actions continued, while I was now being detained at the County, where my family and I continued being subjected to other terrorist plots in being forced to un-necessary undergo ongoing and further stressful, ongoing anxiety and continuing to be held against all our rights.

On December 28, 2012, while I was being detained at the County, I was illegally forced to appear before a judge from the County, regarding the aforementioned CPD reports and charges.

On December 28, 2012, while I was being detained at the County, a County judge, after an extreme prejudice, partial, bias, un-fair and fixing of trial and cases all by the County judge, the "Public Defender", the State's Attorneys and County Attorneys Offices, imposed or charged me for the aforementioned battery charge "misdemeanor" and charged me also with "theft by deception" (misdemeanor). Where same, the County judge same had fined or bond me for an extreme "disproportionate" amounts of thirty thousand dollars (\$30,000.00), where the said punishment, fine or bond did not fit the clove or the above discuss and below ongoing fabrications, false and the fixing of criminal reports and charges.

Therefore, on December 28, 2012, I was clearly entrapped, placed under duress, coerce, robbed at guns pointed, robbed with ink pens and paper, and imposed an un-necessary taxation, without fair representation, but malicious prosecutions, by all the County, the Public Defender and the States' Attorneys Offices, amongst other named interested parties, when I had to give to the County and when thereafter the County, in fact, took and accepted from my family and me, ten percent (10%) or three thousand dollars (\$3,000.00) of the aforementioned County fine or bond armed robbery, that the County had demanded from me, if I had so wished to be release on bond, by the County, while awaiting this malicious regime prosecution and fixing of criminal cases by, but not limited, the County, the Station, the CPD, the Public Defender, IPRA, the State's Attorney's Offices, etc...

Before, during and after my above discuss pre-trial hearings, in and at the County, regarding the above discuss criminal charges that were filed against me, my family, too, had at all relevant times and in a timely manner again, and on more than one occasion brought to the attention, reminded, re-confirmed, discussed and it continued ultimately being ignored and not taken into any consideration, also by the presiding County judge, the Public Defender and upto including the State's Attorney Office, of the "affirmative" defenses, and the matter of relevant and material facts that, my child, my family and me, had for sometime and at all relevant times, already obtained a "Court Orders of Protection" against, amongst other person's living in and out of the Building, the alleged named Petitioner-Complaining witness, Suen.

Moreover, before I was released on bond by the County, I believe, the County Sheriffs exceeded their legal authority or exceeded their legal job description duties and responsibilities, when the County Sheriffs (not the presiding County judge) issued me a further fabricated and misleading County Court order documents and information, where I was informed by the County Court, for the very first time and at that time, of new and additional criminal charges, that was also entered against me, after the above discuss pre-trial hearing at the County, where I was instead and short of my release from the County jail, on a bond release, given a County court order to appear in another County Court house located at 5555 West Grand, Chicago, Il., in Court Room 2, at 09:00AM, for a pre-trial hearing on the above discuss new and improperly charge, now, of "theft" (not theft by deception), I believe, which new County court charge of theft was improperly filed and docketed under new Case No. [REDACTED] rather than to appear for any or all the above discuss misdemeanor criminal charges, which new charge of theft that the County also entered againts me, the County did not advised me of before or during my above discuss pre-trial hearing, when I appear before the said County judge, which said new criminal charges of theft, I did not, at all relevant times, learned about or learned from neither the said County judge, the Station, the County, the Public Defender, the State's Attorney's Office, before or during the above discuss questionable pre-trial, but only after the aforementioned County pre-trial hearing and not untill on and after the County's Sheriffs had issued me the said Court order documents and information, to appear at the aforementioned County court house, as discuss above.

Next, amongst other named interested parties, the presiding judge, the state's attorneys, the Chicago Police Department's detectives and police officers, and upto icluding any or all the tenant(s) from the Building, had in a negligent manner did not take the required time to make a "reasonable" inquiries into, amongst other things, the facts of the case sorrounding (not only the above discuss filed criminal charges) if any at all, the petitioner complainant's (Suen) legal relationship to the Building and/or legal relations with me, the Defendant.

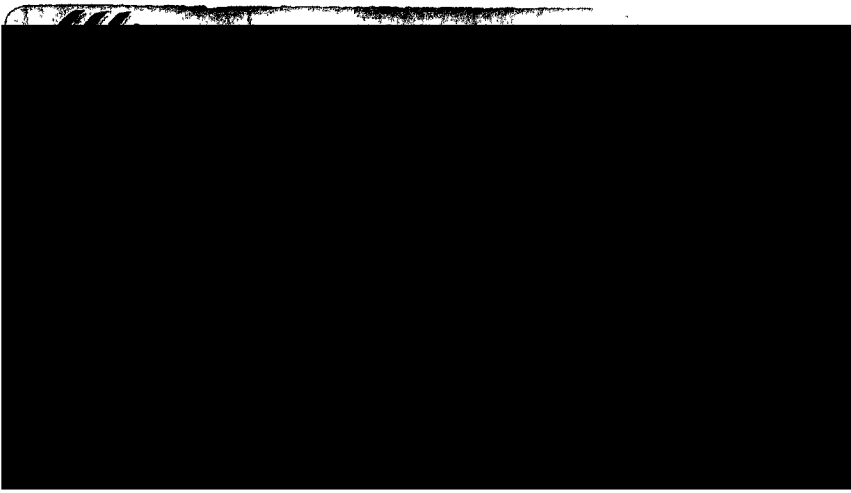

Since December 26, 2012 beginning approximately 08:00PM till December 28, 2012, at approximately 10:30PM, while I was being illegally detained by the Station and by the County, I was completely deprived of adequate food, nutritions, and access to sanitary living conditions.

Your Office's attention is appreciated. Please, if there are any further questions, I can be immediately reached at my above captioned home mailing address. My family and I look forward to any legal assistance your Office can assist my family and me with, as we are continuing to preserve my family and my civil rights and trying to clear our names.

Sincerely,

[REDACTED]

Representative
